

ANNEX II: Coefficient ranking system

1. The allocation of places per association for both the UEFA Champions League and UEFA Cup will be made in accordance with a table of performances covering five UEFA club competition seasons (i.e. UEFA Champions League and UEFA Cup). This table (UEFA association coefficient rankings) is compiled annually, with the oldest season dropped each time for the purpose of the calculation.
2. The table is compiled as follows:
 - a win to be worth 2 points (1 point for qualifying-round matches)
 - a draw 1 point (½ point for qualifying-round matches)
 - a defeat 0 points

Qualifying-round results are taken into account only for the calculation of the association's coefficient.

Until the 2003/04 season, clubs which reached the quarter-finals, semi-finals or final of the UEFA Champions League or the quarter-finals, semi-finals or final of the UEFA Cup were awarded an extra point for each such round. In addition, one point was awarded for participation in the UEFA Champions League.

As of the 2004/05 season, clubs which reach the first knock-out round, quarter-finals, semi-finals or final of the UEFA Champions League or the quarter-finals, semi-finals or final of the UEFA Cup are awarded an extra point for each such round. In addition, three points are awarded for participation in the UEFA Champions League.

Results obtained in the UEFA Intertoto Cup do not count for the coefficient rankings determining the number of places in the UEFA Champions League and UEFA Cup.

3. The points obtained each season by the clubs representing a national association are added, then divided by the combined number of clubs from the said association having taken part in the two UEFA club competitions in question, to produce the coefficient value of the national association concerned. Points obtained in the UEFA Intertoto Cup are exempt from this stipulation, in accordance with point 2 above.
4. Coefficients are calculated to the thousandth, and not rounded up.
5. In the case of equal coefficients, the UEFA administration will take a final decision, taking into consideration the individual coefficient of the most recent season.
6. Points are awarded only for matches which have actually been played, in accordance with the results ratified by UEFA. Kicks from the penalty mark to determine which club qualifies, or the winner, do not affect the result used to calculate the coefficient.

7. Member associations are informed of the general classification after each UEFA club competition season, and this classification determines the number of participants from each association for the following season's UEFA Champions League and UEFA Cup.
8. The UEFA administration will take final decisions on any matters not provided for by these provisions.
